Haunted Smart House Camp

June 19 - 30 | 9am-12:30pm

Be a part of C4K's Haunted House world-premiere! Join Prof. Bailey from the UVA Engineering School to design and build the interior of C4K's first haunted house. Our house will feature in the annual Hauntings on the Hill at UVA in October.

- Program Arduinos to automate props.
- Build smart-props-gone-wrong.
- 3D print custom parts.
- Design the interior space & experience.
- Create & record sound effects.
- Be an actor in the haunted house.

All levels of experience welcome. Campers will be transported to and from the University of Virginia for a tour of Prof. Bailey's space once during the week. Projects started at Camp will continue in the Clubhouse through October. In October, campers will help set up the house at UVA.

Wild Rock Art & Film Camp

July 10 - 28 | 9am-12:30pm

Create & star in a documentary film! C4K members will spend two weeks visiting Wildrock, a piece of wild land outside of Crozet with a rich story attached to it. During that time, members will explore the area and hear the story of the land. The process will be captured in a documentary film directed by Mark Wilson (LUCA Films) and shot by the members themselves!

- Explore Wildrock's three-acre nature playscape (learn to identify plants, search for artifacts and more).
- Interview a cast of characters who have ancestral roots to the land ranging from before the arrival of Europeans, to plantation times, to prohibition era and more.
- Build a structure to live on inside the property where people can tell stories in years to come.
- Crew a pro documentary team: sound, cameras, lighting.

Campers will be transported to and from Wildrock: 6700 Blackwells Hollow Road Crozet, VA 22932.
